LOCKPORT TOWNSHIP BOARD
ST. JOSEPH COUNTY, MICHIGAN

NOTICE OF EMERGENCY MEETING
September 15, 2026, at 3:30 PM

Please take notice that the Lockport Township Board will hold an emergency meeting at the Lockport Township Hall located at 58982 Holtom Rd, Three Rivers, MI 49093 on **September 15, 2026, at 3:30 PM**. The purpose of this meeting is to address a severe and imminent threat to the health, safety, and welfare of the public resulting from a ballot proposal for a Township General Operating Millage Increase – Headlee Override that was inadvertently submitted to St. Joseph County as a ballot proposal for the November 2026 election. The delay to notice a special meeting under MCL 15.265 would be detrimental to the Township's efforts to lessen or respond to the threat because removing the inadvertent ballot question from the ballot requires immediate action and certification of the Township's desire to remove the ballot question to the proper County officials. A delay in this process could cause the ballot language to be certified, and if the ballot question passes, it would subject the Township's residents to additional taxation that was not intended by the Township Board.

The public may participate at the meeting in person or by submitting any written comments at the e-mail address below or by mail or by hand delivery to the Township Clerk utilizing the Township Hall address below. Individuals with disabilities requiring auxiliary aids or services who are planning to attend the public meeting should notify the Township at (269) 506-8488 as soon as possible in advance of the meeting.
